Biotechnology and Bioengineering

Editor

Douglas S. Clark

Department of Chemical Engineering, University of California
201 Gilman Hall, Berkeley, CA 94720-1462

Associate Editors

James D. Bryers
University of Connecticut
Farmington, Connecticut

Pauline Doran
University of New South Wales
Sydney, Australia

Jonathan S. Dordick
Rensselaer Polytechnic Institute
Troy, New York

George Georgiou
University of Texas
Austin, Texas

Jeffrey A. Hubbell
ETH—Zürich and
University of Zürich
Zürich, Switzerland

Maria-Regina Kula
Heinrich-Heine Universität
Düsseldorf
in der KFA Jülich, Germany

Lee R. Lynd
Dartmouth College
Hanover, New Hampshire

Tadashi Matsunaga
Tokyo University of Agriculture
and Technology
Tokyo, Japan

Eleftherios T. Papoutsakis
Northwestern University
Evanston, Illinois

John Villadsen
Technical University of Denmark
Lyngby, Denmark

Editorial Board

James E. Bailey
ETH–Zürich
Zürich, Switzerland

Harvey W. Blanch
University of California
Berkeley, California

Ho Nam Chang
Korea Advanced Institute of
Science & Technology
Taejon, Korea

Isao Karube
University of Tokyo
Tokyo, Japan

Alexander M. Klibanov
Massachusetts Institute of
Technology
Cambridge, Massachusetts

Douglas A. Lauffenburger
Massachusetts Institute of
Technology
Cambridge, Massachusetts

Bernhard Ø. Palsson
University of California at
San Diego
La Jolla, California

Michael L. Shuler
Cornell University
Ithaca, New York

Daniel I.C. Wang
Massachusetts Institute of
Technology
Cambridge, Massachusetts

Founding Editor: Elmer L. Gaden, Jr., *University of Virginia, Charlottesville, Virginia*

Biotechnology and Bioengineering (Print ISSN: 0006-3592, Online ISSN: 1097-0290 at Wiley InterScience, www.interscience.wiley.com) Volumes 62–66 are published 28 times a year, semi-monthly, except tri-monthly in February, May, August, and November, by John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

Copyright © 1999 John Wiley & Sons, Inc. All rights reserved. No part of this publication may be reproduced in any form or by any means, except as permitted under section 107 or 108 of the 1976 United States Copyright Act, without written permission of the publisher, authorization through the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, 978-750-8400, fax 978-750-4470. Periodicals postage paid at New York, NY, and at additional mailing offices.

The code and copyright notice appearing at the bottom of the first page of an item in the journal indicates the copyright holder's consent that copies may be made for personal or internal use, or for the personal or internal use of specific clients, on the condition that the copier pay for copying beyond that permitted by Sections 107 and 108 of the United States Copyright Law. The per copy fee for each item is to be paid through the Copyright Clearance Center. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Such permission requests and other permission inquiries should be addressed to the Permissions Dept.

Subscription Price (Volumes 67–71, 2000): $3495.00 in US, $3775.00 in Canada and Mexico, $4013.00 outside North America. All subscriptions outside US will be sent by air. Personal rate: $575.00 in US, and $743.00 outside North America. *Combinatorial Chemistry* section personal rate: $145.00 in US, and $169.00 outside North America. Subscriptions at the personal rate are available to individuals. Payment must be made in US dollars drawn on a US bank. Claims for undelivered copies will be accepted only after the following issue has been received. Please enclose a copy of the mailing label. Missing copies will be supplied when losses have been sustained in transit and where reserve stock permits. Please allow four weeks for processing a change of address. For subscription inquiries, please call (212) 850-6645. E-mail: SUBINFO@wiley.com

Postmaster: Send address changes to Biotechnology and Bioengineering, Caroline Rothaug, Director, Subscription Fulfillment and Distribution, John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

Advertising Sales: Inquiries concerning advertising should be forwarded to Advertising Sales, John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158, (212) 850-8832. Advertising Sales, European Contacts: Jackie Sibley, John Wiley & Sons, Ltd., Baffins Lane, Chichester, West Sussex PO19 1UD, England. Tel: 44 1243 770 351, Fax: 44 1243 770 432, e-mail: adsales@wiley.co.uk

Reprints: Reprint sales and inquiries should be directed to the Customer Service Department, John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158. Tel: (212) 850-8776.

Manuscripts for *Biotechnology & Bioengineering* should be submitted to the Editor, Professor Douglas S. Clark, Dept. of Chemical Engineering, University of California, 201 Gilman Hall, Berkeley, CA 94720-1462. **Manuscripts** for *Combinatorial Chemistry* should be submitted to the Editor, Dr. David J. Ecker, Isis Pharmaceuticals, Inc., 2292 Faraday Avenue, Carlsbad, CA 92008.

All Other Correspondence: Address to Biotechnology and Bioengineering, Publisher, Interscience Division, Professional, Reference, and Trade Group, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158.

Information for Contributors appears in the first and last issue of each volume. The contents of this journal are indexed or abstracted in Biological Abstracts, BIOSIS, Chemical Abstracts, Chemical Titles, Current Contents/Life Sciences, Current Contents/Agriculture, Biology, and Environmental Science, Engineering Index, Excerpta Medica, Reference Update, Research Alert (ISI), Science Citation Index (ISI), SCISEARCH Database (ISI), and Index Medicus/MEDLINE.
